

Emile MATHIEU

PERSONAL DATA

ADDRESS: Department of Statistics, University of Oxford, 24-29 St Giles, Oxford OX1 3LB, UK
PHONE: +33 6 35 56 66 91
EMAIL: emile.mathieu@eleves.enpc.fr

WORK EXPERIENCE

- MAY-SEP 2017 | Machine Learning Research Intern at **Department of Statistics, Oxford**
Develop original inference methods in the context of probabilistic programming languages, supervised by Prof. Yee Whye Teh.
- JAN-JUL 2016 | Data Scientist Intern at **Criteo, Paris**
In the context of online auctions, I worked to improve predictive bidding models' reactivity, so as to make them able to quickly and precisely react to perturbative or periodical events such as sales.
- JUL-DEC 2015 | Developer at **BAM Lab, Paris**
Worked as a full-stack developer, using leading technologies such as Cordova and React-Native to develop mobile and website applications, and their associated backend services.
- MAY-JUL 2014 | Data Scientist Intern at **IFSTTAR Research Institute, Paris**
Applied probabilistic models such as LDA, along with web visualizations, to transportation's data in order to enhance the understanding of commuters' behavior.

EDUCATION

- SINCE SEPT 2016 | Master of Science (II) in MACHINE LEARNING & COMPUTER VISION (MVA) at **École Normale Supérieure de Cachan, Paris**
- 2014 - 2015 | Master of Science (I) in MATHEMATICS & COMPUTER SCIENCE at **École des Ponts ParisTech, Paris** | GPA: 3.94/4
- 2011 - 2014 | Bachelor's Degree in ENGINEERING at **École des Ponts ParisTech, Paris**
GPA: 3.857/4
- JULY 2011 | Baccalauréat (French secondary school diploma), Nantes
Science major, passed with honors

LANGUAGES

FRENCH: Mothertongue ENGLISH: Fluent (TOEIC: 930, TOEFL: 103, GRE VR: 157) SPANISH: Moderate

COMPUTER SKILLS

Basic Knowledge: R, PHP, Spark, Hive, \LaTeX
Advanced Knowledge: C++, Python, Matlab, Scilab, Unix, JavaScript

INTERESTS AND ACTIVITIES

Treasurer of the Sports Club at **École des Ponts ParisTech**
Tutoring in mathematics and physics to prepare for nationwide competitive admission exams
